■Basic Story You, the player, create a Tarnished character. A Tarnished is an inauspicious person with a twisted personality. They live in the Lands Between, where the curtain of time has begun to fall from the world of the gods. The Tarnished World has turned into an epoch of chaos and crisis, with divine powers completely devoured. The Tarnished are pitted against the divine to bring the world back to order. Only a Tarnished who has sacrificed their eternal life may inherit the title of an Elden Lord.

■In-Game System

- Class The Tarnished create a character to wield the powers of the divine and fight against the divine's enemy. The classes are as follows: Warrior: Powerful Tarnished with an effective fighting style in addition to their physical strength. Wanderer: Their personality is cool and collected, using their wisdom to fight without physical strength. They have the ability to use powerful magic to influence their enemies. Erstwhile: Formally the hero of the divine before they were cast down from the divine, they use divine magic to fight. Their primal powers from before the fall from the divine are reawakened. Rune: They use both divine and arcane magic. They can block enemy attacks and use "Draughts" to attack as the ultimate weapon of magic.
- Battle System A battle system that blends real time combat with RPG elements. Battles unfold in real-time, as you aim your attacks and follow up with special attacks to inflict damage on the enemy. At the same time, there is an extensive story that you can use to increase your character's abilities.

Missing 'Historic Wilton Historic Site' in Cedar Key A new attraction in Cedar Key is missing a centerpiece. A new attraction called "Historic Wilton Historic Site" is missing a cornerstone marker. "We've had it for about three or four years," said Doug Ryan, the director of the Cedar Key Historical Society. Tours of the site in the historic Wilton section of town have been scheduled around the event. Now they won't be happening. "For many, many years, (the cornerstone) was seen as the reason people would come to Cedar Key," said Ryan. Ryan said the tour is geared around four historic items. The cornerstone represents the start of Cedar Key. The other items include the Wilton General Store, the Wilton Family Cemetery, General Store Indian Battle Axe and the area's first school, of which the cornerstone is set. bff6bb2d33
